California after a visit of several

the W. W. Walker family.

C. E. Noble, of Galice, is in the city
today from his mining claim in the
Galice country. Mr. Noble says that
there are many evidences of much ac-
tivity in the lower river district this
summer, the placers especially count-
ing on a long run because of the
heavy fall of snow in the mountains.

Mrs. Jennie Cheshire returned this
afternoon from Ten Mile, Douglas
county, where she went several

Back From Illinois Valley

The Twoby-Miller-Boschke, et al,
party, that went to the Illinois valley
Wednesday morning, returned about
7 o'clock in the evening after a pleas-
ant day through the fertile region to
be penetrated by the new railroad.
They went as far as Takilma, where
they visited the mines. The roads
are not yet as good as they might
be through the valley, but the auto-
mobiles had no difficulty in getting
over them. They report that both
the Waldo copper and the Queen of
Bronze mines are now hauling ore
by team to the Waters creek terminal
of the new railroad.

ITALIAN CONCERT BY MUSIC CLUB

Music lovers were given a treat
Wednesday evening when the mem-
bers of the local music club staged
an Italian concert, the numbers being
largely those of the Italian masters.
The Lawrence orchestra gave several
selections, winning the instant ap-
proval of the large audience, the
numbers being selections from Ros-
sini, Verdi, Mascagni, Puccini, etc.
Mrs. Francis M. Favre, in costume,
sang "Voi Che Sapete" from Mozart,
and "Rosa" from Tosti, and was
heartily encored. A feature of the
evening was the paper by Miss Rus-
sell upon Donizetta and his works,
this being a clear exposition of the
life and character of the composer
as well as of some of the best known
of his works. Several of his com-
positions were played upon the Vic-
trola during the course of Miss Rus-
sell's reading. Mrs. Heath gave a
couple of recitations in the Italian
dialect in her inimitable manner, and
a Neapolitan street song, "O Sole
Mio," was charmingly rendered by
Miss Lydia White. "See the Pale
Moon," by Campena, was sung by
Miss Clara Wolke and Mr. MacMur-
ray, while the "Funiculi-Funicula"
was well sung by a high school
chorus, and the music club chorus
rendered Donizetta's "O Italia, Italia
Beloved," to the satisfaction of the
audience. Verdi's "The Tempest
of the Heart" was sung by Attorney E.
S. VanDyke, and the program closed
with a piano duet by the Misses Alma
Wolke and LaCosta Mangum.

The concert was given in the as-
sembly room at the Commercial club.

WOMAN-HUSBAND MAY APPEAR IN VAUDEVILLE

Seattle, Feb. 24.—"Mr. Robert"
Gaffney, a woman who masqueraded
for 18 years as a man and whose
marriage to Mrs. Margaret Gaffney
of Seattle was brought to light last
week, has an offer today to appear
in a San Francisco amusement house.
That "she" would make a good
drawing card is the opinion expres-
sed in a letter to Deputy Prosecutor
Palmer by T. H. Harrahan, presi-
dent of the Alameda Zone, of San
Francisco. He asks if "she" or "he"
would consider an offer of a good
salary and comfortable quarters.
"Mr." Gaffney was discovered to
be a woman when Mrs. Gaffney ac-
cused "him" of being a lazy husband.

NOTICE OF ANNUAL CLEAN-UP DAY

I wish to announce to the public
that Wednesday, March 1, will be
observed this year as the official
clean-up day for the city of Grants
Pass. Property owners, tenants and
citizens generally are earnestly re-
quested to co-operate with us in the
important work of improving the ap-
pearance of the city and of main-
taining sanitary conditions by the re-
moval of all rubbish from premises
under their respective control.

Street Superintendent R. A. Dean
will have charge of the work of haul-
ing the accumulated rubbish to the
city dumping grounds. The teams
will begin to haul on the morning
of March 1. It will therefore be ne-
cessary for the people to begin now
in order that all rubbish shall be in
readiness by the time the hauling be-
gins.

In the interests of efficiency and
economy please observe the following
suggestions:

- 1st. Reduce your quota to the
minimum by burning all combustible
rubbish.
- 2nd. Put tin cans, broken crock-
ery, glass and all like accumulations
in boxes or sacks to facilitate
handling.
- 3rd. Place the accumulation out-
side of your yards, on the side of
alleys accessible to wagons.
- 4th. Have your part of the work
finished before March 1, and thus
avoid the necessity of an additional
trip to your neighborhood.

Yours truly,
J. P. TRUAX, Mayor.
